

Friendship Force of Sacramento Murals Tour

Sunday, November 21st, 1:00 pm

We'll meet up at 1:00 pm at 2710 R St. There is lots of 2 hr free parking in this area so just drive around the block until you find something. This first mural is right across the street from the Coop so if you want to go early and grab a bite they have a nice place to eat upstairs or out front.

The list below is the approximate order we will see the murals. If you join us late just drive around until you see us. Or if you leave early no problem. For information on each artist just click on the name below and it will take you to the Wide Open Walls web page for each of them.

From here we drive to the R St corridor. Find some parking near 12th St and R St. Note the free parking (most are 1 1/2 hr limits) are in the lower numbered streets, away from the restaurants. Walk over and find me near the next mural at 12th and R.
